On Residential Resort Cumbre del Sol is where we find this impeccable villa, more precisely in Residential Jazmines, an exclusive area that stands out due to its sea views, its high standard infrastructure, and because it is made up of large luxury villas. □This villa is built on two floors, the main entrance is on the top floor, with two clearly defined wings. On the right side, there is the rest area, where the 3 bedrooms are located. One of the bedrooms has a large walk in wardrobe and an ensuite bathroom; the other two bedrooms share a family bathroom and each has a spacious wardrobe. All of the bedrooms have direct access to the terrace and the sea views. On the other wing is the day area, with a kitchen, which joins with the dining room and the exterior naya, the living room, a guest toilet, a utility room, etc. □The lower floor of this villa is intended for leisure and entertainment, both inside and outside. This floor is where we can find a double garage, a bathroom, a storage room and an extra multipurpose living room that leads directly onto the exterior terrace, with a pool and several garden areas. A luxurious area to enjoy your free time.
