This villa boasts simple, pure, and emphatic geometries that articulate the interior spaces. Access to the villa is via a ramp and staircase integrated into the terrain, with the upper part of the house resting on a stone plinth that leads into the house. The villa offers spacious and open living areas, as well as bedrooms and gym spaces with beautiful views of the surroundings. □ □ □ The ground floor of the villa features a garage, a generous entrance hall, a large wine cellar, and the bedrooms and gym spaces. These spaces are open and framed by a pure geometric frame, providing residents with breathtaking views of the surroundings. On the upper floor, residents can find the main bedrooms of the house, all with en suite bathrooms. The upper floor also boasts a large open space of more than 90m², which houses a fluid kitchen-dining room and living room with a 180° panoramic view over the landscape. The upper floor is surrounded by a spacious terrace, including an open porch of more than 50m², which projects the interior of the house towards the outside and turns it into a unique space. □ □ □ The villa's unique geometric design offers impressive views over the landscape and arranges the interior program and
