RESERVED Situated in the sought-after Las Laderas neighborhood of Jávea, this stunning contemporary villa is currently under construction, with an expected completion in June 2025, offering a sophisticated design with seamless indoor-outdoor living. The home is thoughtfully laid out on a single level, ensuring both convenience and style, with bright and airy interiors that blend modern comfort with functional elegance. Interior The villa features a spacious open-plan living and dining area, flooded with natural light, which seamlessly connects to the sleek, fully equipped kitchen. Large sliding doors lead directly to the terraces and gardens, creating an effortless flow between inside and outside. The property boasts four well-proportioned bedrooms and three stylish bathrooms, offering an ideal balance between privacy and shared living space. Outside Outside, beautifully designed covered and open terraces provide plenty of space for outdoor dining and relaxation. The landscaped garden surrounds a generous 10x4 metre swimming pool, making it the perfect retreat for enjoying Jávea's sunny climate. There is also the option to personalize some final finishes before the project's expected
