BUILD
228m²

PLOT
3360m²

Set on an extensive plot, this villa presents a rare opportunity, combining comfortable living with outstanding future potential. In addition to the main property, a very large adjoining section of land is included in the price, offering the possibility to segregate and develop, making it particularly appealing for those looking to invest or expand. It is also possible to extend the existing house extensively or undertake a complete new build on the plot once
