A villa of superlatives of the highest construction quality. Located in one of the most desirable residential areas of Javea, on a corner plot with great views here you can find a villa that leaves nothing to be desired. The villa has 3-4 bedrooms, a large fitted kitchen and a bright living room with direct access to the luxury pool. The pool complex has different areas (disabled access, Jacuzzi, children's area, swimming area). A separate guest apartment offers two bedrooms, a shower room and a spacious living/ dining area. The latest building technology and an individual processing of the materials make this property so unique. Nothing was left to chance; everything was planned to the last detail and implemented by skilled craftsmen.
